PROFILE

Experienced Technical Architect with 10+ years of expertise in designing and implementing complex technical solutions. Skilled in software development, cloud computing, and database design, with a proven track record of delivering results that drive business success. Seeking to leverage my technical expertise and leadership abilities to drive innovation and growth for the company. Positive attitude with self-sufficiency, highly organized, flexible, and great team co-ordination to ensure on time deliverables.

EXPERIENCE

Senior Engineering Team Lead | 1K Kirana, Gurugram - FEB'22 TO MAR'23

Handling Warehouse engineering team while managing the entire operations and created multiple solutions to increase employee efficiency. Introduced route optimization to save logistic cost by 3% and removing the manual route creation and reduced logistic cost.

Full Stack Developer | Etisalat, Dubai - DEC'20 TO JAN'22

Migrated an old and highly anticipated system to the latest technology, achieving a 25% increase in overall speed and enabling the system to serve more customers. Oversaw the entire project to ensure adherence to the expected timeline and maximized output from a small team.

Tech Manager | EXPEDIENT HEALTHCARE MARKETING PVT LTD, INDIA - NOV'18 TO DEC'20

Revamp the outdated CRM system by implementing queue services and relocating time-intensive code to the background, resulting in a **50% improvement** in frontend performance. Created a communication channel connecting Sales, Management, Tech, and HR teams to facilitate seamless hiring, development, and delivery.

Senior Software Engineer | INDIASHOPPS PVT. LTD, INDIA - JAN'16 TO OCT'18

Reviewing and analyzing the effectiveness and efficiency of existing systems and developing strategies for improving or further leveraging these systems. Drove efforts towards maintaining software development practices; adhered to company standards for coding and unit/functional test coverage.

Senior Developer | THOUGHTPULP PVT. LTD, INDIA - DEC'12 TO JAN'16

Designed and implemented a web application using technologies such as Laravel that streamlined Ecommerce Portal, which reduced the set-up time by **10%** and eliminated human error.

Technical Associate | DELL INTERNATIONAL SERVICES, INDIA - MAY'11 TO SEP'12

Senior Executive | INFOSYS, INDIA - OCT'07 TO APR'10
